

SECTION 'V' SPECIAL FEATURE
SPONSORED BY J & H FIELDER

Entry Fee \$1.00 Adult, 50c Students

You must take a waste product and develop a new usable product.

Waste products are those that would normally go to landfill.

Your invention/item may be put together by using new materials eg tape, pins, staples, welding, sewing. You may use a variety of materials.

You will need to take a picture of the waste products before starting and a finished picture.

Class	1st	2nd
1 Primary School Grade1-3	\$ 15.00	\$ 5.00
2 Primary School Grade 4-6	\$ 15.00	\$ 5.00
3 High School Grade 7-9	\$ 25.00	\$ 10.00
4 High School Grade 10-12	\$ 25.00	\$ 10.00
5 Adult	\$ 25.00	\$ 10.00

Judging Criteria

- use of recyclable material
- inventiveness
- Practical use ie Farming, clothing, storage, tool, art piece, etc.
- Aesthetic appeal
- Photos

Lodge your entry form before 5.00pm Wednesday 1st April 2020.

The usable product will need to be displayed on Friday 3rd April before 11am at the Rec Centre for judging. Prizes will be awarded in each category.

Please remember to collect your exhibits between 5.30pm and 6.00pm on Saturday or between 9.30am and 10.30am Sunday as the Stewards will accept no responsibility for exhibits left after that time.
